**Only available as a standard colour on Newton Security Doors products.

WOODGRAIN EFFECT FINISHES

Combining the strength and longevity of metal with the look of natural wood, our doorsets are available with a woodgrain effect finish. A textured finish is available to give the added feel of wood, or a smooth finish is available.

OTHER COLOURS & FINISHES

Other colours and finishes are available upon request. However, these will incur an extra cost and a longer lead time. Our products can also be supplied unpainted, and primed only.
